

## 6<sup>ème</sup> CONEXP – New Circular - 2022

Dear colleagues,

We are glad to announce the new dates of the 6<sup>th</sup> International Congress of Experimental Archaeology of the association EXPERIMENTA (EXARC member). It is organized in partnership with the UMR 7194 – HNHP and the UMR 7041 – ArScAn (ANTET team). The congress will be held for the first time out of Spain, in Pézenas (Hérault, France), between **25 and 28th of October 2020**. We hope that the health situation will allow us to hold this edition entirely in person. Three days of presentations are planned, the last day is reserved for excursions.

The aim of the CONEXP congresses is to bring together researchers from diverse thematic backgrounds working on **past societies**, from Palaeolithic to historic periods (technologists, traceologists, zooarchaeologists, from environmental sciences, etc.).

All works that use experiments serving archaeological issues are welcome. They have to fall within the congress thematic:

- TAPHONOMY
- RECONSTITUTION OF PAST BEHAVIOURS: PRODUCTION SYSTEMS
  - RECONSTITUTION OF PAST BEHAVIOURS: USE
- SCIENTIFIC DISSEMINATION

Several presentation types are possible:

- Oral communication;
  - Poster;
  - Live experiments, demo, and presentation of experimental repositories (half a day).
- Please don't hesitate to contact us for any inquiry of logistical help for this session.

## Abstract instructions:

The deadline for abstracts is **May 1<sup>st</sup> 2020**. They have to be sent to: [6thexperimentalarchaeology@gmail.com](mailto:6thexperimentalarchaeology@gmail.com)

Abstracts can be written in French, English and Spanish and have to follow these instructions:

- Times New Roman, font 12, in a Word (.doc, .docx) or PDF format;
- Present a concise title, authors and their affiliation, e-mail of corresponding author
- Between 3 and 6 keywords;
- The abstract has to present the experiment, their results and an application in an archaeological context;
- It must not exceed 2,500 characters including spaces;

Explain whether it is a request for an oral presentation, a demonstration/presentation during the experimental session or a poster. Posters have to be printed in A0 format (vertical -841mm x 1189mm) in a special session.

The registration to the congress is mandatory for the first author, even if he does not communicate himself.

**Note: Summaries received before the postponement remain valid. If you wish to modify them or change the mode of communication, do not hesitate to contact us.**

## Registration and fees

Registrations will be open from January 1<sup>st</sup> 2022 until September 15<sup>th</sup> 2022 on our website <https://6thconexpezenas.sciencesconf.org>. They will be effective after the sending of the registration form and the proof of payment at the following address: [6thexperimentalarchaeology@gmail.com](mailto:6thexperimentalarchaeology@gmail.com).

|  | <b>General</b> | <b>Reduced*</b> |
|--|----------------|-----------------|
| <b>Between 01/01/2022 and<br/>01/08/2022</b> | 40€            | 20€             |
| <b>After 01/08/2022</b>                      | 60€            | 30€             |

\*Students, unemployed.

Objet: Registration 6<sup>th</sup> CONEXP + NAME and FIRST NAME

Registrations fees include coffee breaks and social events and membership to the EXPERIMENTA association. Preferential prices will be made for delegates in some Pézenas hostels and restaurants.

**Note:** People who have already paid the registration fee before the postponement do not have to pay again. Just let us know whether you intend to attend the conference or not.

Hope to see you soon in Pézenas in person!

The organizing committee,
